i, a man, present a verified Declaration of Fact:

October 13, 2017

Firstly:

i: the living man, who goes by the copyrighted Trade Name: Todd Wheeler Keller, the claimant, aggrieved party, and acting private prosecutor, in this instant matter, attest my lawful and verified political status is that of a "non-federal, non-citizen, non-resident, non-person, non-combatant," American state national, and New Yorker { i have, by recorded affirmation, rebutted any and all assumptions/presumptions to the contrary }, and my lawful right, and basis to prosecute and move this claim/case { not a complaint, and without the private and foreign corporate administrative rules, procedures, etc. of the private, foreign and bankrupt Municipal "UNITED STATES," { INC. }, the Territorial "U.S.A.," { Inc. }, or its "Federal State," a.k.a. "State of New York" or "STATE OF NEW YORK," { Inc. }: Incorporated franchise of said Federal corporations, operating in international jurisdiction of the sea, under color of law, on American soil }, pursuant American common law of man, is that i require, wish and order the use of this venue, as a "court of record" – land jurisdiction, to seat a jury: if needed, in which i prosecute and move my claim/case before, to determine and render a verdict, as to what man/woman has the lawful right to administer, restrain, monopolize and/or interfere with my trade-business-property, causing me injury; RIGHT: i, a man, do not require a "CIVIL RIGHT" when i already possess inherent rights;

Cf. **Private Prosecutor:** One who sets in motion the machinery of criminal justice against a person whom he suspects or believes to be guilty of a crime, by laying an accusation before the proper authorities, and **who is not himself an officer of justice.** [Heacock v. In responding with my own aforementioned notice, i, a man, claimed my lawful right, NOT domiciled within their foreign "district": international jurisdiction of the sea { organized as a "U.S. District Court" }, to prosecute and move my claim/case, pursuant American common law of man, via a "court of record": an Article III constitutional court: land jurisdiction { organized as Federal Postal District Courts, a.k.a. a federal court }, without the inferior private, foreign and bankrupt corporate "UNITED STATES DISTRICT COURT," { INC. }: operating in international jurisdiction of the sea: { entrusted to and operated by the British Monarchs, operating in fraud, deceit and Breach of Trust, under color of law, on American soil }, and without the private and foreign corporate administrative rules, procedures, etc. of said court;

Without the "Municipal/ Territorial U.S./ U.S.A.," INC.

# n o t i c e

## 'man's right to prosecute a claim'

All "U.S. District Courts" or "State of State" courts are 'U.S. military - Liber Code controlled { provisions of the Reconstructive Acts: March 2, 1867 (14 Stat. 428) }, and B.A.R. supervised { Departments of the Army & Navy Field Manual 27-5, 1947 Ed., Par. 12c, Pg. 20. }, private, foreign and bankrupt quasi-military administrative tribunals/courts, operating in international jurisdiction of the sea, addressing Maritime/Admiralty issues, under color of law, on American soil;

Said courts, their rules, codes, procedures, etc. ONLY pertain to "U.S. citizens," "citizens of the U.S.," "U.S. employees," "U.S. residents," "legal persons," etc. - all fictions in law, domiciled within the jurisdiction of the private, foreign and bankrupt Municipal "UNITED STATES," { INC. } { as of 2015 Chap. 7 Liquidation }, the Territorial "U.S.A.," { Inc. } { as of 2017 Chap. 11 Reorganization }, and its "Federal State," a.k.a. "State of New York" or "STATE OF NEW YORK," { Inc. } : Incorporated franchise of said Federal corporations;

i, a man, am none of the aforementioned corporate fictions, nor am i domiciled within said foreign jurisdiction, and therefore NOT "subject" to and/or require, nor wish to use the private rules, procedures, etc. of said jurisdiction or court, nor do i consent to and/or wish to operate in fiction, as a fiction { legal person }, or under private copyrighted corporate codes, rules, procedures, statutes or "law," when requiring redress in a "court of record";

Thirdly: Said wrongdoers, through their actions, inactions, and silence, have refused me redress; thereby, administering, retraining, and monopolizing { without rights/my consent }, my inherent right to trade-business-property, coercing me: their fellow man, to endure duress, trespass, loss, continued injury, etc.;

Said wrongdoers, via their silence, by way of an un-rebutted declaration and agreement { Exhibit A }, have acquiesced to my claim of right and redress, creating an equitable estoppel, agreeing unconditionally, to settle all certified invoices: { Exhibit C }, billed to them;

Without the "Municipal/ Territorial 'U.S./ U.S.A.," INC.

# n o t i c e

## 'man's right to prosecute a claim'

Invoices, dated October 3, 2017, were presented to wrongdoer(s) on October 13, 2017, by Certified Mail Return Receipt No. 7016 1370 0000 9189 7377;

Said wrongdoers were given (30) days to respond, and settle this matter privately and have failed or refused to do so:

Via acquiescence, through said wrongdoers silence, a nihil dicit judgment and settlement of said invoices is now required, wished for, and ordered, forthwith;

- Cf. "Silence can only be equated with fraud where there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading";
- Cf. "it has been stated that **any enterprise undertaken by the public official which tends to weaken public confidence and undermines the sense of security for individual rights is against public policy.**"; { 63C Am. Jur. 2d Public Officers and Employees, §247; Cf. several courts cases. **Emphasis Added;**
- Cf. "Fraud in its elementary common law sense of deceit – and this is one of the meanings that fraud bears [483 U.S. 372] in the statute, see *United States v. Dial*, 757 F.2d 163, 168 (7th Cir. 1985) – includes the deliberate concealment of material information in a setting of fiduciary obligation. A public official is a fiduciary toward the public, including, in the case of a judge, the litigants who appear before him, and if he deliberately conceals material information from them, he is guilty of fraud...." { *McNally v. United States*, 483 U.S. 350 (1987) };

In the event, my orders are not carried out and said Invoices are not settled, forthwith, i will be coerced to require, wish, order, and demand by right, pursuant and secured by The 1787 united American States Constitution: Article: 3, & Article: 6, cl. 2; 3, The 1789 united American States Bill of Rights: Articles: 5; 7; 9, and The 1846 New York State Constitution: Article: 1, §§ 2; 6 & Article: 6, § 3, a "court of record," "trial by jury," be convened (22) days from notice, so that said wrongdoers stand before The Keller Court, and answer for their trespass, continued injury, etc. regarding my trade-business-property;

# n o t i c e

## 'man's right to prosecute a claim'

Fourthly: Said wrongdoers are in breach of their corporate "Constitution of the United States," { Inc. }: a foreign Municipal corporate charter masquerading as a valid treaty document;

i require said wrongdoers provide me a certified copy of their Oath of office and, as required by law, their Bonding Company information;

In commerce, it is a felony for a Political/Public Official to not report a claim to its Bonding Company, and a felony for the Bonding agent to not pay the claim;

i, also require, wish and order said wrongdoers to not administer, restrain or monopolize my right to trade-business-property any further; any man/woman doing so, causes me injury and agrees to settle any certified invoices billed to them;

Fifthly: A verified declaration of wrong: trespass and injury, is hereby claimed: administered; restrained and monopolized trade-business-property without rights/consent:

i, a man, now require, wish and order redress; a magistrate; "court of record"; "trial by jury"; pursuant and secured by:

Cf. Blackstone Commentary Volume 3, Chapter 23, § 378;

Cf. The 1787 united American States Constitution: Article: 3, & Article: 6, cl. 2; 3;

Cf. The 1791 united American States Bill of Rights: Articles: 5; 7; 9;

Cf. The 1846 New York State Constitution: Article: 1, §§ 2; 6 & Article: 6, § 3;

- i, a man, the aggrieved party, claim that;
- the following said wrongdoers trespass upon property;

Public Servants; Fiduciary-Trustee; Debtor;
2. Healy, Patrick J: a man; wrongdoer; d.b.a. CHIEF DEPUTY CLERK;

- Other Wrongdoers: Federal Fiduciary-Trustees; Employees; Public Servants; Actors;  
Persons; men; women; John Doe(s)/JOHN DOE(S) 1-10;

- the said wrongdoers trespass comes by way of administering, restraining and monopolizing trade-business-property;
- the trespass did, does and continues to injure trade-business-property;
- i, require, wish and order compensation for the initial and continual trespass upon trade-business-property;
- compensation due: Two million eight hundred seventy-five thousand dollars: { Exhibit C }  
{ \$2, 875, 000.00 } EACH;

Sixthly: i, require and wish { the "non-foreign agent" } magistrate/justice, and clerk of the court, handling this matter, honor their Oath(s) of office: protecting the property { rights } of man, by signing my orders, and forwarding said orders and invoices to said wrongdoers, forthwith;

# n o t i c e

## 'man's right to prosecute a claim'

Seventhly: BE ADVISED: When addressing the living man: a birthright American state national as myself, of the continental united American States, specifically the 'Union-state known as new york - land jurisdiction, in the foreign jurisdiction of the Federal "United States" or that of a "Federal State," and deliberately confuse a living man with corporate franchises merely named after them you commit unlawful conversion, personage, fraud, etc.; this results in press-ganging land assets into the international jurisdiction of the sea, a crime outlawed worldwide for 200 years; it is a recognized act of inland piracy and it carries the Death Penalty;

Mischaracterizing the identity or citizenship status of a living American state national of the continental united American States is also an international war crime under the Geneva Protocols of 1949, Volume II, Article 3. It also carries the Death Penalty;

i: a man, verify on my own full commercial liability that i have read the above-verified declaration of facts, and to the best of my knowledge, and belief do know the contents, to be true, correct and complete, and not misleading, and do believe that the above-described trespasses and injury have been committed contrary to law, i say here, and will verify in an open "court of record" - land jurisdiction, that all herein be true;

Frank P Geraci Jr, a man, and all assigns/designees  
Mary C Loewenguth, a woman;  
Patrick J Healy, a man;  
Robert H Jackson, a man;  
Kenneth B Keating, a man;

On September 7, 2017, i, a man, presented a claim, two invoices, and a few other documents, as The Keller Court, a "court of record," into "federal district court," a "court of record," at the "UNITED STATES DISTRICT COURT WESTERN DISTRICT OF NEW YORK," - a private foreign court of international jurisdiction;

i was told said documents would be reviewed by a "judge" and a decision would be made whether or not they would be filed. Correct me if i'm mistaken but i do believe that once your employee had accepted my documents they should have been officially date stamped and filed into the court;

On September 15, 2017, i received my documents back stating "you have not complied with the Federal Rule of Civil Procedure and/or Local Rules of this district". First off, your "district" is a foreign jurisdiction, in regards to the Union-state known as new york. Neither my trade name/legal person or i am domiciled within your "district," or any other private foreign district;

As you know i, a man, am not required to comply with your Rules/Procedures, nor do i consent to doing so, as they ONLY pertain to legal PERSONS, Federal Employees, Residence, lawyers and/or other fictitious entities domiciled within the "United States," viz.: a private foreign bankrupt corporation located in the District of Columbia, its territories and the State of New York, also known a private corporate franchise of the "United States," not the actual land or jurisdiction of the Union-state known as new york;

i, a man, DO NOT wish to access your private foreign bankrupt corporate "UNITED STATES DISTRICT COURT." i'm invoking, by right, The Keller Court: a "court of record" - a Public court: in "federal court;" a right guaranteed to me from birth and protected by The Organic Bill of Rights: Articles 7 & 9, and The Organic New York State Bill of Rights. As you well know, there is no Federal Rule, Code or Procedure that prohibits a man from accessing and invoking a "court of record" - land jurisdiction of the Union-state; new york;
